1. Coaches Clinic Notification and Application Timeline: The annual NFCA Coaches Clinic application process opens Fall and will remain open until space is full. The number of tables available at each location is dependent on the size of the Exhibit space and will vary from hotel to hotel. Table space is subject to availability and priority is given to NFCA Official Sponsors/Partners. All other companies are placed in accordance with the NFCA Loyalty Rankings Program, then on a first-come, first-served basis via submitted, time-stamped applications. For information on how to become an NFCA Official Sponsor/Partner or how to participate in the Loyalty Rankings Program, contact Marketing Manager Saralyn Campbell at saralyn@nfca.org or call (502) 409-4600.
2. Exhibitor Rules and Regulations
 - 2.1. Exhibit Space Rental
 - 2.1.1. Description of Rental Space: This contract is for the use of one (1) 6' or 8' table and one (1) chair. An additional table may be purchased for an extra fee. Additional chairs are available upon request through the hotel on-site.
 - 2.1.2. Furnishings: Any additional furniture, accessories, signs, etc. are the sole responsibility of the Exhibitor.
 - 2.1.3. Electricity/Power/Internet: Electricity, power and/or internet are the sole responsibility of the Exhibitor. Some hotels provide electricity, power and/or internet free of charge and some do not. All forms and information surrounding electricity, power and internet will be sent by the NFCA staff to all registered companies for each NFCA Coaches Clinic. It is the sole responsibility of the Exhibitor to submit the required forms and payment by each hotel's deadline.
 - 2.2. Cancellation
 - 2.2.1. Cancellation of Contract: For cancellations occurring 14+ days prior to the start of the registered clinic, a full refund will be processed less a \$75 administrative fee. For cancellations occurring 8-13 days prior to the start of the registered clinic, a one-half refund will be processed. No refunds will be given for cancellations occurring 7 days prior to the start of the registered clinic. However, payment may be transferred to a later clinic in the same clinic season per space availability. No payment may be transferred to a clinic in future clinic seasons. Cancellations and requests to transfer to a same-season clinic must be submitted in writing. The NFCA will confirm the cancellation

GUIDELINES

or the transfer. Either digital correspondence or traceable mail will be accepted. Digital time stamps on submitted correspondence will be controlling.

- 2.2.2. Failure to Occupy Space: Space not occupied by the close of the Exhibit installation period will be forfeited by the Exhibitor and this space may be resold, reassigned, or used by the NFCA. No refund will be given, as stated in 2.2.1.
- 2.2.3. Cancellation of Show: In the event of fire, strikes or other Acts of God or force majeure including risks of communicable disease that renders the Exhibitor area unfit or unavailable for use or causes the Exhibit Show to be cancelled prior to the opening date of such event, this contract and submitted application will not be binding and payments on account will be awarded a full refund less a \$75 administrative fee.

2.3. Construction, Installation, & Use of Exhibit Facilities

- 2.3.1. Acceptability of the Exhibits: All exhibits shall be used to serve the interest of the attendees of the NFCA and shall be operated in a way that will not detract from other Exhibitors, the Exhibit Show or the Clinic as a whole. The NFCA reserves the right to require the immediate withdrawal or modification of any exhibit. In the event of such restriction or eviction, the NFCA is not liable for any refund of rental fees or any other Exhibitor-related expense. Exhibitors must comply with all federal, state and local laws as well as all hotel policies.
- 2.3.2. Restrictions on Use of Space: Booth placement will be coordinated by the on-site NFCA staff. Location priority will be given to Official Sponsors and Official Partners followed company ranking in NFCA Loyalty Rankings. Credentials will be pre-placed on exhibitor's respective booth at each clinic and are not to be moved without approval of the on-site NFCA staff. No Exhibitor shall sublet, assign or share any part of their allocated space. Failure to comply with the Restrictions on Use of Space Guidelines may result in the immediate removal of the company that is not listed or paid through the NFCA and a ban from the current clinic season's remaining and all of the following season's Clinics. The paying company who sublet, shared, or assigned the space will also be banned from any of this clinic season's remaining and all of the following year's Clinics. In the event of such ban, the NFCA is not liable for any refund of rental fees or any other Exhibitor related expense. Solicitations, product or demonstrations by Exhibitors must be confined within the bounds of

Exhibits, signs and displays are also prohibited in any public space or elsewhere on the premises of the meeting facilities or in the guest rooms or hallways of the hotel. Operation of sound amplification devices is not allowed.

- 2.3.3. Construction of Exhibits: Exhibits shall be constructed and arranged so they do not obstruct the general view, nor hide the exhibits of others. All booth displays and materials must be confined within the parameters of the designated booth space and may not extend into aisles and walkways. Signs, flags, or any other item that may obstruct views, aisles and/or walkways are prohibited.

The NFC A is not responsible for any costs incurred related to Exhibit Show materials and/or booth construction that do not comply with these guidelines. The NFC A in its sole discretion will determine if displays violate any of the guidelines outlined in this document. If the NFC A finds the space is in violation, Exhibitors will be asked to rearrange the area so that it is in accordance with these guidelines. Failure to make the requested changes will result in removal from the Exhibit Show and forfeiture of payment.

2.4. Security, Liability & Insurance

- 2.4.1. Security: The protection of the property of Exhibitors shall at all times remain the sole responsibility and custody of each Exhibitor. While not a guarantee, the NFCA will work with each hotel to provide Exhibitors with a locked room to store items overnight on Friday evening. Sometimes, this room may be the main speaking ballroom.
