*"I wanted to become a college coach. That really didn't become a reality until I joined the NFCA as a high school coach in the 90's. It changed me for the better in so many ways."*

**Mickey Dean**

*"As I got to know more coaches and started to network more, I realized the impact that the NFCA makes on our game. After that first year, I haven't missed a Convention and regularly use educational opportunities shared with us online."*
