Organizations

Lost Boyz & Girls Inc.

<https://www.lostboyzinc.org/our-mission>

The organization was founded in 2009 by LaVonte Stewart, an area resident, who felt a call to action after witnessing antisocial behavioral patterns increasingly impact local youth. Having experienced firsthand the profound impact baseball can have on a child's development, LaVonte rallied the community around organized youth baseball. In 2014, Lost Boyz observed this persistent pattern affecting young ladies as well. There we extended our service to include girls. Our programs include both girls and boys.

Our mission is to decrease violence, improve the social and emotional conditions, and provide financial opportunities among the youth in Chicago's most needy communities.
